

GOD of the WORD

BIBLE STUDY

EIGHT SYSTEMATIC STUDIES

Designed to give an understanding of the entire story of the Bible from beginning to end.

GOD of the WORD uses a **3-step** method of learning in which insight is gained progressively through:

1. GUIDED, PERSONAL STUDY
2. SMALL GROUP DISCUSSION of the LESSON (*if possible*), and
3. ON-LINE VIDEO LECTURE

Eight studies cover the entire Bible: Five Old Testament studies and three New Testament studies. To best understand the story of the Bible and develop a habit of daily personal study, complete the studies in order.

Find the *Bible Studies* tab at www.GODoftheWORD.org. The course agenda for each study is a table of contents. Read the *instructions* in the Introductory Week and print the *outline* for note-taking during the lecture. Then watch the *Introductory lecture video*.

Print the Questions for Lesson One. Each lesson has 15 questions, divided into five daily assignments. Ask the Lord to speak to you through His word as you read the passages. Answer the questions thoughtfully but avoid creative interpretation of the Biblical text.

- **Discuss the questions and your answers**, if possible, with a small group or study-buddy.
- **Print the outline and watch the video** *after* you have completed the lesson.

The lectures are intended (and will be much more meaningful) after you have given thought to the covered passage.
